Re: High Grass
Hedges

Dear Neighbor,

Please know that within the City of Hollywood grass and weeds over eight (8) inches is prohibited. Please check in order to avoid a fine for a code violation.

In addition, hedges and limbs should be cut back to the property line as they cannot be allowed to grow over or obstruct the sidewalk, street or other public area.

Ordinance 155.12 relates specifics on fences, walls and bushes.

Title IX: *General Regulations Chapter 106: Trees* will tell you everything about planting and removing trees.

The goal is to keep our neighborhood well-maintained. Please do as much as you can to help this effort.

I hope that this information will be prove helpful.

Thank you.
